

REMARKS

As a preliminary matter, Applicants thank the Examiner for the telephone interview conducted on November 10, 2004, with their Attorney, B. Joe Kim. Both parties agreed that a Supplemental Amendment should be filed to further clarify the invention in view of the discussion regarding the subject invention.

Accordingly, the claims have been amended to more clearly describe the invention. Applicants respectfully request that the Examiner apply these claim changes to the arguments made in Amendment E filed on October 4, 2004, traversing the rejections in the outstanding Office Action.

Applicants believe that the claims as now amended place the application in condition for allowance, which is respectfully requested. The Examiner should call Applicant's Attorney if an additional interview would expedite prosecution.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
